In each event no dive may be repeated.

Divers in the second year of Group D or C (ie aged 11 or 13 years respectively on 31/12/15) may opt to dive up if they wish. This will allow divers to make a qualifying standard for National Age Groups 2016 if required. It also allows 11 year olds to use dives on 7m and 13 year olds to use dives on 10m. If they dive up an age group then they must compete in this age group for all events.
