The Competition

The FINA Technical Rules of Diving will be used wherever possible.

Eligibility

Divers must be in full time education and be ASA Category 2 registered.

Training

The diving pool will be available for open training between 5pm - 6.30pm, and 6.30pm - 8pm on Saturday 12 December. Please specify your preferred times on the entry form.

Technical Meeting

A technical meeting for coaches and officials will be held near the diving pool at 4pm on Saturday 12 December. Please ensure each Division is represented.

Judging

Each Division should provide at least one national level judge. All events will be run with 5-judge panels. A judging rota will be compiled at the technical meeting. We want to be flexible with the judging allocation, so if you want to swap with someone then please inform the chief referee at the technical meeting.

Discretion

The chief referee's decision will be final on any decisions regarding queries, discrepancies or protests specific to this meet.

Results and Presentations

There will be diver parades in each group of competitions. Results will be announced in reverse order. Please remind divers to wear their kit along with shorts or trousers when receiving their medals. The winning diver's coach will present the awards unless a dignitary is available. If both are available then the dignitary and the winning coach shall present the awards.

Boundary Divisions

ESSA is divided into Divisions which follow the ASA's eight regional boundaries: South West, South East, London, East, East Midland, West Midland, North West, North East. A competitor must attend a school or educational establishment in the Division they want to represent.
